## Call for Papers for ECE Undergraduate Research Conference

The 20<sup>th</sup> annual Opportunity Research Scholars Symposium (ORSS 2022) is celebrating its special anniversary by opening up its program to accept general submissions for presentations by undergraduate researchers mentored by electrical and computer engineering faculty authors from **any** institution. Topics of interest include any number of subject matter research within the field of electrical and computer engineering. All papers must be lead-authored by an undergraduate researcher with at least one faculty co-author or similar PhD mentor. Submissions must include a 3-4 page paper (standard IEEE two-column format) and a short (<10 minute) MP4 video recording of a research presentation.

Qualifying submissions will be accepted for poster presentation at the live conference in Atlanta, April 27, 2022 after a light review. An additional double-blind peer-review will be conducted for accepting the written manuscript into the final paper proceedings, which will be published in IEEE Xplore; these papers will also be considered for the ORSS 2022 best paper award, which will include registration and domestic air-fare to IEEE RFID 2022 in Las Vegas, NV (17-19 May 2022) for oral presentation of the research work.

### STEP 1: Qualify

Papers must be authored by undergraduate students with a faculty or similar PhD-mentor co-author.

### STEP 3: Decide

The work will be lightly reviewed and accepted for poster presentation virtually or physically (author's choice)

### STEP 5: Attend!

Attend the in-person conference in Atlanta, GA on 27 April 2022 and present your work!

### STEP 2: Submit

Submit a 3-4 page paper (standard, two-column IEEE format) **and** a 5-10 minute video presentation of your work to the EDAS site by April 1st.

### STEP 4: Publish?

The work will also undergo rigorous peer-review for inclusion within the conference proceedings, uploaded to IEEExplore.

### Important Dates

- **Submission Deadline: April 1, 2022**
- **Notification of Presentation: April 4, 2022**
- **Notification of Publication: April 15, 2022**
- **Final Paper Submission: April 21, 2022**
- **Physical Presentation: April 27, 2022**

The annual Opportunity Research Scholars Symposium is a single-day research conference held in Atlanta, GA. The program consists of a poster presentations, keynote speech, banquet/reception, and awards ceremony.

ORSS 2022 will be held at the historic Academy of Medicine in Midtown Atlanta, GA.

### ORSS 2022 Organizing Committee

**Executive Chair:** Gregory D. Durgin (*Georgia Institute of Technology*)  
**Operations Chair:** Julie Ridings (*Georgia Institute of Technology*)  
**TPC Chair:** Peter J. Hawrylak (*The University of Tulsa*)

**Authors of Published Papers** receive peer reviews by top technology leaders from the multi-disciplinary IEEE Council of RFID community and are enrolled in the ORSS 2022 Best Paper Competition. Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements.
